# Condiciones de Venta

1. Las presentes Condiciones Generales estarán en vigor desde 03-2018 y vienen a sustituir y dejar sin efecto a todas las Condiciones Generales anteriormente aplicadas.

2. Nuestros productos se identifican, exclusivamente, por sus referencias. Por ello, los pedidos deben mencionar, claramente en cada caso, la referencia y el número de unidades de la misma que se desea adquirir. Una vez aceptado el pedido, la obligación de SNA Europe Industries Iberia, S.A. queda limitada al suministro de dichas unidades de la referencia solicitada. Las dimensiones y características técnicas de los productos que se incluyen en nuestro catálogo comercial, son meramente ilustrativas y están sujetas a modificaciones, por lo que SNA Europe Industries Iberia, S.A. recomienda a sus clientes que, antes de formular un pedido, comprueben que la referencia solicitada se ajusta, en cuanto a dimensiones y demás características a sus necesidades.

3. SNA Europe establece un importe mínimo por pedido de 100 € para la aceptación de los mismos.

4. Los pedidos inferiores a 450 € en Península y 680 € para Canarias, Ceuta y Melilla, se enviarán a portes pagados, cargando en factura el coste de este servicio.

5. Los precios para envíos a las provincias españolas fuera de la península se entienden para mercancía puesta en el puerto de destino (C & F).

6. La elección del medio de transporte será por cuenta de SNA Europe Industries Iberia, S.A.

7. Los clientes tienen la obligación de examinar los productos servidos a su recepción, a fin de comprobar su conformidad con el pedido en cuanto a la referencia o referencias servidas y el número de unidades entregadas. Si existiera alguna disconformidad, el cliente deberá ponerlo de manifiesto, bien rechazando la mercancía si su disconformidad es total, bien recibiéndola parcialmente y haciendo constar en el albarán de entrega su queja en cuanto al producto rechazado en el caso de disconformidad parcial. La firma del albarán de entregas, sin salvedad alguna, supondrá la aceptación de la mercancía y la conformidad del cliente en cuanto a la cantidad y referencia(s) servida(s), todo ello sin perjuicio de la garantía de producto aquí prevista.

8. La transmisión de la propiedad de la mercancía en favor del cliente no tendrá lugar hasta el momento de la efectividad del completo pago de su precio, con independencia de que la misma haya sido entregada y puesta a disposición del cliente. En este caso, y hasta la efectiva transmisión de la propiedad mediante el pago, el cliente se abstendrá de realizar cualquier acto de disposición sobre la mercancía o de almacenarla y/o utilizarla de forma tal que pueda sufrir algún menoscabo, siendo responsable frente a SNA Europe Industries Iberia, S.A. del estado de la misma en este tiempo. En el supuesto de que, llegado el vencimiento del pago, este no se haga efectivo por el cliente, SNA Europe Industries Iberia, S.A. tendrá la facultad alternativa de exigir el pago del precio, con sus intereses o la devolución de la mercancía, sin perjuicio en cualquiera de ambos casos de las indemnizaciones de daños y perjuicios a la que por ley tenga derecho.

9. La mercancía será servida en función de las circunstancias del pedido (Número de unidades y clase de la referencia solicitada) y de la disponibilidad de producto de SNA Europe Industries Iberia, S.A. en el momento. Si el cliente precisa que la entrega se realice en un plazo determinado deberá ponerlo de manifiesto en su escrito de pedido, no habiendo lugar a ninguna reclamación por retraso en la entrega, salvo que expresamente se pacte otra cosa.

10. Forma de pago: A 60 días fecha factura. Los clientes que tengan día de vencimiento fijo, se les girará al más próximo a los 60 días fecha factura, de forma que todos los giros quedarán comprendidos entre los 45 y 75 días f.f.

11. Los pedidos, una vez aceptados por SNA Europe Industries Iberia, S.A., serán irrevocables y no podrán ser anulados o modificados de ninguna manera por el cliente, salvo que medie expreso acuerdo en dicho sentido con SNA Europe Industries Iberia, S.A. Si un pedido, por la especial naturaleza de su objeto u otras circunstancias, requiere alguna clase de cambio en los procesos de fabricación y/o envasado normalmente seguidos por SNA Europe Industries Iberia, S.A., se considerará como definitivo e irrevocable en todos sus conceptos desde el mismo momento de su emisión por el cliente, viniendo éste obligado a la recepción de la mercancía en todo caso. De no hacerlo así y rehusar la mercancía SNA Europe Industries Iberia, S.A. podrá exigirle el precio del pedido, más un 50% del mismo, en concepto de penalización.

## REPOSICIÓN DE GARANTÍA

1. Todos los productos del catálogo están amparados por la Garantía Total contra cualquier defecto de fabricación o material, de forma que los clientes tendrán derecho a la reposición de la pieza o piezas defectuosas siempre que el defecto tenga su origen directo en la fabricación o de material de la misma.

2. El derecho de reposición se limita a la sustitución de la pieza defectuosa por otra nueva y no comprenderá abono de ninguna clase, siendo todos los gastos de la reposición, en particular el transporte, de cargo del cliente.

3. La Garantía Total no ampara los defectos provenientes del desgaste o de la mala conservación y/o utilización de los productos por el cliente.

4. El plazo de garantía es de un año a partir de la fecha de compra en el caso de los productos sujetos a desgaste normal con el uso tales como cuchillas, puntas, brocas, y otros productos consumibles. En el caso de multiplicadores de par, la garantía no se aplicará en los casos en los que el producto haya sido sometido a esfuerzos superiores a sus valores nominales máximos.

5. Para el correcto ejercicio de este derecho el cliente deberá comunicar por escrito a SNA EUROPE INDUSTRIES IBERIA, S.A. el defecto y las piezas afectadas, indicando los datos relativos a la compra (fecha y número de factura). En el plazo de 30 días a contar desde la recepción de dicha comunicación, SNA EUROPE INDUSTRIES IBERIA, S.A. enviará a su representante de plaza a las instalaciones del cliente, a fin de suscribir conjuntamente la documentación relativa a las piezas defectuosas. Inmediatamente después las mismas o una muestra escogida por el representante de plaza, serán remitidas a SNA EUROPE INDUSTRIES IBERIA, S.A. a fin de que su Departamento de Calidad certifique el defecto. En el supuesto de que el informe del Departamento de Calidad confirme el defecto, SNA EUROPE INDUSTRIES IBERIA, S.A. lo comunicará al cliente, anunciando la reposición de las piezas defectuosas.

6. La reposición se llevará a cabo en el menor plazo de tiempo posible y como norma se producirá junto con el más próximo envío de mercancía al cliente.

7. A la recepción de las piezas repuestas, el cliente deberá suscribir un documento manifestando su conformidad con la reposición efectuada y se renuncia a cualquier reclamación ulterior a SNA EUROPE INDUSTRIES IBERIA, S.A. por dicho motivo.

# Garantía

1. Todas las herramientas del catálogo (en los casos permitidos por la ley) ofrecen una garantía de por vida; una garantía que protege a la herramienta de defectos de material y de fabricación durante su vida natural. “De por vida” se define como el periodo de tiempo que se puede esperar dure una herramienta en condiciones de uso normales.

2. La gama de herramientas eléctricas, neumáticas y de medición de SNA Europe está excluida del punto 1, ya que cada una de dichas familias tiene su tarjeta de garantía específica, suministrada con el producto, que cubre condiciones de garantía especiales. Los productos se fabrican y diseñan para uso profesional. Normalmente el periodo de garantía es de un año (12 meses) para las herramientas de uso profesional y de dos años (24 meses) para las de uso particular. El periodo de garantía comienza con la fecha de compra. Esta fecha se puede comprobar en la factura o en cualquier otro documento de equivalente valor legal.

3. Cualquier producto defectuoso será reparado, reemplazado o sustituido. SNA Europe no se hace responsable del coste del transporte del producto a reparar, reemplazar o sustituir.

4. Cualquier producto que se haya utilizado o mantenido de forma incorrecta, o haya sufrido un mayor desgaste debido a un uso inadecuado, o haya sufrido modificaciones no autorizadas, no estará cubierto por esta garantía.

5. La reclamación de garantía debe presentarse dentro del periodo de garantía. Esto exige la entrega o el envío al vendedor o distribuidor de la herramienta completa en cuestión con la verificación de la documentación de venta, que debe validar la fecha de compra y la designación de la herramienta.

6. La sustitución o reparación del producto se efectuará lo antes posible. A la recepción del producto a reemplazar o sustituir, se pedirá su conformidad al cliente. Los repuestos y reparaciones del producto bajo esta garantía no alargarán o renovarán el periodo de garantía de la herramienta.

SNA Europe

Este catálogo comprende nuestra gama actual de productos. De manera regular se realizan cambios tanto en la gama de productos como en el conformado final, formas, diseños y designaciones de los mismos. Estas modificaciones no serán necesariamente notificadas.

Las ilustraciones y croquis han sido reproducidos para ser lo más precisos posibles. Sin embargo, en la elaboración de un catálogo, los mismos pueden diferir respecto a los propios productos y a las especificaciones técnicas.

Las indicaciones de peso deben entenderse como pesos netos aproximados, y sirven principalmente para facilitar el cálculo de los costes de transporte y franqueo.

Este catálogo reemplaza todas las especificaciones y gamas previas.

La propiedad intelectual de este catálogo pertenece a SNA Europe.

Los extractos, reimpresiones o copias de los contenidos solo se pueden realizar con nuestra autorización.
